Mr. Peter Timothy

April 28th, 1757. [Numb. 2191.]

The SOUTH-CAROLINA Gazette.

CHARLES-TOWN, *April* 14.

TUESDAY last, being the Day of the Anniversary Meeting of the *SOUTH CAROLINA* SOCIETY, they chose the following Officers for the ensuing Year, viz. JACOB MOTTE, Esq; Steward, Capt. WILLIAM ROPER and JOHN GUERARD, Esq; Wardens, Mr. ROBERT RAPER, Treasurer, Mr. SAMUEL PRIOLEAU, Clerk, and Messrs. SAMPSON NEVLE and EDWARD NEUFVILLE, Constables.

The following Parish and other Officers for this Town, for the 1757, were duly elected on Easter Monday last, in *St. Philip's* Church, according to Law, viz.

Church Wardens. Messrs. *John Neufville*, and *James Laurens*.

Vestry Men. *Benjamin Smith*, Esq; and Messrs. *Henry Laurens, Wm. Stone, Wm. Middleton, Francis Brenan, Christopher Gadsden, Wm. Hopton, Benj. Smith, Gabriel Manigault, John Rattray, John Guerard*, Esqrs. and Mr *George Shed*.

Commissioners of the Markets and Work House. Messrs. *Wm. Ellis, Wm. Swaddisford, Alex. Petrie, Wm. Dandridge, Alex. Taylor*.

Packers. Messrs. *Henry Beden, John Remington, jun. Paul Townsend, Peter Leger, Tho. Rose, Wm. Waddel*.

N.B. There is an Oath to be taken by Packers, before they can act as such.

CHARLES-TOWN, *April* 21.

LAST Thursday arrived an Express from our Agent in the *Creek* Nation, where, we have the Pleasure to assure our Readers, that our Friends continue firm, notwithstanding the redoubled Efforts of the *French* to extend their Influence. And, as His Excellency continues to give the closest Application to *Indian* Affairs, and our Agent to be very active, we have great Reason to hope, that those People will at length be brought to join in the Common Cause.

On Saturday Evening His Excellency the Governor returned to Town, from reviewing the *Craven* County Regiment, in good Health.

Tuesday last arrived Capt. *Holden* from *Gambia*, who informs us, that on the 27th of *March* last, in the Lat. of *Martinique*, he fell in with *Nine* Men of War, which he judged to be *French*, as they did not offer to give him Chace: And we have Advice by the same Vessel, that the Snow *Black Joke*, Capt. *Stubbs*, of *London*, from *Africa* bound hither, was lately taken to Windward of *Barbados*.

The same Day, a Cask of *Carolina* Indico was sold (by Messrs. *Price & Parker*) at FORTY SHILLINGS *per* Pound.

The Assembly of this Province (in Consequence of a recommendatory Message from the Governor) having voted *Fifty Pounds* Sterling, for purchasing Materials and setting up an Apparatus to exhibit the Process of making POTASH, yesterday Mr. *Stephens* went thro' the Process, in Presence of many Spectators, and the Whole appeared to be quite simple and easy. Mr. *Stephens* affirms, that, taking *Ten* of the common Run of Field Slaves, they will make at least *Ten* Tons of *Pot-Ash*, and the same Number of prime Negroes *Fifteen* Tons: If so, and as there is no Danger of any Loss or making it bad (if Mr. *Stephens's* Method is pursued) and it may be made during the Winter Season, 'tis certainly equal to *Indico*. His Excellency, who is ever zealous to promote the Public Good, was present at the above Process, and expressed much Satisfaction at the Prospect it afforded of an easy and advantageous Addition to our Commodities.

Since our last, we have received several Accounts from *Georgia*, relating to the Reception of Governor ELLIS there, and some Grievances he had redressed. At His Honour's Landing at *Savannah*, great Numbers of People (of the Inhabitants at least *Nine Tenths*) were assembled, and welcomed him with cheerful and loud Hazza's, but he politely declined the Salutations of any 'till he had waited on Governor *Reynolds*, which he immediately did, when His Honour was saluted by the Cannon of the Town and of the Vessels in the Harbour, *&c.* and the Evening was joyously spent in Illuminations, firing of Guns, *&c.* and a large Bonfire where was burnt in Effigy, a certain Tyrant in himself, a Promoter of it in his Master, and his greatest Enemy. A general Satisfaction now prevails throughout that Colony, and it is so far believed that Governor ELLIS perfectly understands, and will steadily pursue, its true and real Interests, with his whole Mind, that the People (and even those who have buoy'd themselves up with certain Hopes) seem determined to forget and lay aside their former Factions and Animosities, and to promote the Public Good with Concord and Alacrity. The Currency of that Colony, which heretofore has been in such low Estimation as to suffer a Discount of 25 per Cent is now put into Vogue, and bears an equal Value with Specie, by the Governor's Declaration, that he will receive IT alone, in Lieu of the Bills to be drawn for the £. 1500 Sterling annually allowed by Parliament, towards encouraging the Silk Manufacture and defraying the contingent Charges of that Government: And, two Counsellors that had been irregularly excluded, but not suspended, have resumed their Seats, and those that had been admitted in their Stead, are suspended. We have also received the following Addresses (presented to Governor ELLIS soon after his Arrival) from our Correspondents in *Georgia*, which we are far from believing will be disagreeable to any of our Readers.

To the Honourable HENRY ELLIS, *Esq; Lieutenant Governor, and Commander in Chief, of His Majesty's Province of* GEORGIA.

The Humble ADDRESS *of the Freeholders and Inhabitants of the District of* Midway [Delivered by their Representative]

May it please your Honour,

WE, His Majesty's most dutiful and loyal Subjects, the Freeholders of the District of *Midway*, beg Leave to congratulate Your Honour upon Your safe Arrival; which fills us with most sincere Joy, especially at this *critical* Juncture.

The high Character we have received of Your Honour's distinguished Capacity, public Spirit, and other Virtues, greatly encourages us to expect (under God) those Blessings, from You just and wise Administration, which may render this Province flourishing and happy; by Your Conduct, healing every unhappy Difference, inspecting the defenceless State of this frontier Province; and, by Your Influence and Interest, providing for its Safety; encouraging Commerce and the planting Interest, so essential to our Happiness, and the Increase of this His Majesty's Colony. And towards accomplishing these desirable Ends, we humbly conceive, Your Hands will be greatly strengthened by a *more free* and *impartial* Representation of the People in *General Assembly*.

For Your Success in these, and every other Endeavour to promote the Welfare of this Province, we fervently pray; not doubting to enjoy, under Your paternal Care, every Priviledge of *British* loyal Subjects, and the Indulgence graciously allowed to His Majesty's Colonies, while we, in Gratitude, esteem it our Honour and Duty to approve ourselves firmly attached to the best of Kings, and the Interest of our Country.

To

To which His Honour gave the following *Answer.*

SIR,

I Thank you, and the rest of the Gentlemen of Midway, for this kind Address, and for the good Opinion you are pleased to entertain of me; which I sincerely wish may be justified by my Conduct, and answer your Expectations in promoting the Welfare of this Colony, an Object that I shall ever consider as my greatest Honour as well as my truest Interest.

To the Honourable HENRY ELLIS, *Esq; Lieutenant-Governor and Commander in Chief, of His Majesty's Province of* GEORGIA, *and Vice Admiral of the same.*

The ADDRESS of the Freeholders and Inhabitants of LITTLE OGEECHE in the said Province.

May it please Your Honour,

HIS Majesty's paternal Care and Regard for his *American* Colonies has been ever manifested, but never more singularly, than in His gracious Appointment of Your Honour to be Governor of this Province, at a Time when *Georgia* was groaning under Difficulties, which in Event, must have proved its Ruin: To be relieved in such Extremity, fills our Hearts with the highest Sense of Duty to His Majesty, and sincere Congratulation to Your Honour on Your Arrival amongst us: Permit us, Sir, to tell You, that You are famed for a Gentleman possessing a benevolent and public spirited Disposition, and in this Infant Colony You will have extraordinary Opportunities of displaying those invaluable Talents, to Your own Glory and our Happiness.

We humbly supplicate that in You, as Governor, we may meet the Friend of a loyal People; and that the Measures Your Honour may approve taking to promote our Happiness, may be so seconded as to further the Increase and Prosperity of the Province, which cheerfully will endear you to our Royal Master, and our Gratitude for so important a Service, shall be manifested by us, and handed to Posterity.

The Governor's *Answer.*

GENTLEMEN,

AN Address from the Freeholders of Little Ogeeche, *so full of Duty to His Majesty, and so expressive of a Disposition to think favourable of me, must needs be very pleasing to me, and but a just Title to my particular Acknowledgments: They may therefore be assured, that if, in the Course of my Administration, I can any Ways contribute to their Advantage or Society, I shall think myself extremely fortunate. And, tho' the Partiality of my Friends has put me under Difficulties, in greatly over rating the little Merit I may presume to claim, this can never slacken that hearty Zeal for the public Welfare, that I hope has and will continue to animate me, in the Discharge of those Duties that are incumbent on me as a faithful Servant of my Country.*

To the Honourable HENRY ELLIS, *Esq; Lieutenant Governor and Commander in Chief, of the Province of* GEORGIA.

The Humble ADDRESS *of the* GEORGIA SOCIETY.

WE, His Majesty's most loyal and dutiful Subjects, the Members of the GEORGIA SOCIETY, humbly beg Leave to offer to Your Honour our sincere Congratulations on Your safe Arrival in this Province; an Event which, at this *critical* Conjuncture, gives universal Joy, and *revives* the Hopes of every Person who has the *true* Interest of his Country at Heart.

As the People of this Province in general, derive their Hopes of Safety and Prosperity from Your Honour's prudent Management of Affairs, so we also flatter ourselves, from the Knowledge we have of Your benevolent Disposition and public Spirit, that the GEORGIA SOCIETY will be honoured with Your Countenance and Protection; the Design of its Institution being, to promote the Advancement of Trade, by rewarding those who shall make any useful Discovery or Improvement in the two valuable Staples of this Province, *Silk* and *Indico*; and also, to relieve such Persons as have, by unavoidable Misfortunes, fallen into Poverty and Distress.

That, thro' Your Honour's wise Administration, this Province may be effectually secured against the Attempts of its Enemies, its unhappy internal Divisions healed, and that it may soon flourish and become a valuable Settlement to our Mother Country, is our sincere Wish: And, that you may not only enjoy the secret Pleasure arising from the Consciousness of having faithfully discharged the important Trust committed to you, but also the hearty Thanks and well-merited Applause of a grateful People, made happy by your Abilities and Care, We ardently pray.

To which His Honour *answered,*

Gentlemen,

THE Satisfaction you are pleased to express upon my Arrival here, is very pleasing to me; and the more so, as you have distinguished yourselves in the Pursuit of Objects great in themselves and worthy your Attention, the Improvement of this Province, and the Felicity of its Inhabitants. The Advantages your Partiality leads you to expect from my Administration, I ardently wish may be attained, but at present can only assure you, that no Endeavours of mine shall be wanting to facilitate and accomplish such salutary Purposes. I return you Thanks for this public Mark of your Regard, which I cannot but consider as a particular Honour done me.

To the Honourable HENRY ELLIS, *Esquire, Lieutenant-Governor, and Commander in Chief, of His Majesty's Province of* Georgia.

The ADDRESS *of the Lodge of the Fraternity of* Free *and* Accepted Masons, *in* Savannah.

May it please Your Honour,

AMIDST the general Joy and affectionate Congratulations that have been manifested on Your Honour's Arrival here, it would ill become us to be silent on the Occasion, who profess ourselves Promoters of Universal Benevolence, and are by every endearing Obligation interested in the Welfare of this Province: Tho', as Masons, we cannot interfere in controversial Points of Religion or Politics, it is, nevertheless, a Duty expressly enjoined us, and shall be our constant Endeavour, to accomplish the desirable End of *Public Utility*, by inculcating every necessary Duty to effect it.

When we recollect His Majesty's Goodness to this Province, in the speedy Relief afforded us in Distress, and that a Gentleman (whose amiable Qualifications those who know him seem fond to speak of) is appointed to preside over us; our Hearts, *Sir*, overflow with grateful Sentiments, to which we can find no adequate Utterance.

That the great Work of rendering this Province flourishing and happy (so essential to our Good, and the Interest of our Mother-Country) may be compleated under Your Honour's Administration, is our sincere Wish and unfeigned Prayer, withal recommending our Fraternity to your Protection and Favour.

The Governor's *Answer.*

Gentlemen,

I Receive this honourable Mark of your Respect with Gratitude: A Society actuated by your Principles, can accept no other Return. Illustrious Artists, who build a Temple to the social Virtues, upon the solid and extensive Basis of Humanity and Universal Benevolence, it were greatly to be wished, that these generous Dispositions, which dignify Human Nature and are the peculiar Characteristics of your Society, were diffused over the whole Earth, as we might then hope to find Mankind better and consequently happier.

To

To the Honourable HENRY ELLIS, *Esq; Lieutenant-Governor and Commander in Chief, of His Majesty's Province of* GEORGIA, *and Vice-Admiral of the same.*

SIR,

THE *Youngest Militia* of this Province, presume, by their Captain, to salute Your Honour on Your Arrival: Altho' we are of too tender Years fully to comprehend the Blessing that a *good* Governor is to a Province, our Parents will doubtless experience it in its utmost Extent, and their grateful Tale shall Ex Your Name dear in our Memories.

[*This young Company in* Savannah, *consists of about* Thirty *Lads, trained up under the Direction of their School-Master: They first exercised before the Governor, to Admiration, and with great Applause; and then presented their Address, which was received by His Honour in a very obliging and thankful Manner, and with Assurance of his Countenance and Encouragement in their Military Performances.*

CHARLES-TOWN, *April* 28

SOme Days ago it was reported that the *Cherokee Indians* having killed a *Chickasaw*, a Party of the latter went in Pursuit of the former, attacked and defeated them, and had brought 16 Scalps to *Savannah*: But this News is not fully confirmed.

On Saturday last arrived here, the *Wrangle* Privateer of *New York*, commanded by Capt. *Fenton*, from a Cruize; who informs us, that on the 20th of *March*, being in Isabella Bay, with two other Privateers, he saw *Nine* large Ships, to which he gave Chace, but did not come up with them 'till late in the Evening, when he plainly discern'd that they were large Men of War, yet none that he knew; upon which he returned to Isabella Bay, and the next Day went to *Monte Christo* for Intelligence, where he was inform'd, that they were *French*, and had taken the *Greenwich*; that 6 of them went in to the *Cape*, and 3 to *Port au Prince*; that 8 more were to follow, and then hourly expected, with 30 Transports, and 150 loaded Merchant Ships from *Martinique*, which were to proceed Home with whatever Ships might be ready at the *Cape* &c. under one Convoy, of two Frigates, while the Line of Battle Ships proceeded upon some important Expedition — perhaps only to block up Admiral *Townshend*'s Squadron at *Jamaica*, and give their Merchant men an Opportunity of escaping that *vigilant* Commander. Capt. *Fenton* cruized 10 Days on this Coast, in Hopes of meeting with any *French* Privateers that might have come upon it, but found it quite clear of Enemies.

The same Evening arrived an Express from Fort *Loudoun* at *Tenesse*, with certain Advice, that 200 *Cherokee* Warriors, well equipped, are gone from the Lower-Towns, for *Virginia*, in order to be employed in the Common Cause against the *French*; and that all's well at the Fort.

The same Night also came in the *Northern* Post, by which we have Advice, that one of the Vessels sent into *Cape Fear* by the Captains *Fenton* and *Jones*, (a Scooner with 60 Hogsheads of Sugar, 40 of Rum, 10,000 lb. of Coffee, and some Indico) was likely to be condemned at last Monday; but that 'twas thought the Sloop would be acquitted: And, that an Embargo has been laid some Time, on all Shipping, in the Ports of all the *Northern* Colonies.

A Gentleman is arrived in Town, lately from *New-York*, who reports, that the Hon. *Edmond Atkin* Esq; had set out for this Place; that 500 Men of the Royal American Regiment had been ordered to hold themselves in Readiness to be transported hither; that 13 Ships of the Line, with some Troops, were arrived at *Halifax*; that Privateers are kept cruizing off the Mouths of several Harbours, to prevent any Vessels slipping out from them while the Embargo continues; that the Forces to be employed the ensuing Campaign on this Continent, will amount to 35,000 Men, and are continually trained and instructed in the *Indian* Method of fighting, and in high Spirits; and, that His Excellency the Earl of *Loudoun* is now in the highest Esteem every where, having, by his Oeconomy and Prudence, Affability of Access, obliging Behaviour, and many other good Qualities, gained the Affections of all Ranks of People.

The Assembly of this Province have met pursuant to their Adjournment, and, we hear, there is now a very full House.

Another Privateer is now fitting out here with all Expedition, called the *True Blue*, to be commanded by Capt. *Thomas Tucker*: Also, the *Lyttelton* is fitting out again, to cruize in Concert with her, under the Command of Capt. *Richard Tozer*.

'Tis said, that a Third Privateer will be fitted out here, as soon as a proper Vessel for that Purpose can be purchased, to be commanded by Capt. *Joiner*.

The Sloop *Content*, *Charles Bolton* Master, from this Port bound for *Antigua*, is taken by the *French*, and carried into *Martinique*.

And, the Scooner *Relief*, *Henry Harramond* Master, from *Exeter*, was lately cast away near *Antigua*, but no Lives lost.

Besides the *Winchelsea* Man of War, the *Wrangle*, *True Blue*, and *Lyttelton* Privateers, and the Vessels that the Wind bound, there are now in this Harbour only 4 Ships, 1 Snow, 4 Brigs, 1 Bilander, and a Sloops, in all 12 Sail.
